# 1 Retraction Note

The Editors-in-Chief have retracted this article because it shows evidence of peer review manipulation. Additionally, the article shows significant overlap with an article by different authors that was simultaneously under consideration at another journal [1]. Jianguo Sun agrees with the retraction but disagrees with the wording of the retraction notice. The other authors have not responded to the correspondence regarding this retraction.

## **Publisher's Note**

Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
