Abstract

This is a retraction of the article submitted by Zhu and Han (*J. Inequal. Appl.* 2014:116, 2014).

1 Retraction

Following publication of this article [1], it was brought to the attention of the editorial and publishing staff that an identically-titled article by Han Zhang and Wenpeng Zhang [2] was published in January 2014 in *The Scientific World Journal*.

This is a violation of publication ethics which, in accordance with the Springer Policy on Publishing Integrity, warrants a retraction of the article and a notice to this effect to be published in the journal.
