1 Erratum

In the publication of this article [1], there were two errors.

1) The error in Section 2.3 Exponential inequalities and their consequences:

$^{(a)}X^{(b)} = -a\mathbb{I}\{X < a\} + X\mathbb{I}\{a \le |X| \le b\} + b\mathbb{I}\{X > b\}$.' Should instead read:

$^{(a)}X^{(b)} = a\mathbb{I}\{X < a\} + X\mathbb{I}\{a \le X \le b\} + b\mathbb{I}\{X > b\}$.'

2) The error in Section 2.4 Convergence theorems: 'A well-known WLLN for pairwise independent r.v.s is the result of Csörgő, Tandori, and Totik [6].' Should instead read: 'A well-known SLLN for pairwise independent r.v.s is the result of Csörgő, Tandori, and Totik [6].'

This has now been updated in the original article [1].
